

## Swanbank Community Reference Group

Help us shape the future of CleanCo's Swanbank site

## We're looking for a new community member to join our Swanbank Community Reference Group (CRG)

### About the Swanbank CRG

The CRG was formed in 2024 to help us understand local needs and aspirations. Once home to two coal-fired power stations, our Swanbank site now features a gas-fired power station and a grid-scale battery. We're also redeveloping the site to include new energy projects and community infrastructure.

The CRG is a sounding board for discussions about future projects and site operations. Our CRG members represent the community and provide feedback on plans and projects. We value respectful and honest discussion.

We have a vacancy to fill and are inviting applications from community members.

Members receive a \$50 voucher for each meeting they attend. The membership term is up to 2 years.

Meetings are held at Ripley on Wednesdays from 6-8pm.

Meeting dates for 2026 are 27 May, 19 August and 11 November.

### Eligibility criteria

- Connection to local community
- Knowledge and perspectives that would benefit the group
- Interest and passion for the future prosperity of Ipswich
- Live or work within 15km of our Swanbank site
- 14 years or older (under 18s need parent/guardian consent).

### Next steps

Visit [www.cleancoqueensland.com.au/swanbank-community-reference-group](http://www.cleancoqueensland.com.au/swanbank-community-reference-group) to learn more and apply.

Applications close **5pm, Friday 24 April**. If you would prefer to complete a hard copy application form, please email [community@cleancoqld.com.au](mailto:community@cleancoqld.com.au) with your address details and we will mail a form to you.
